Printing Help

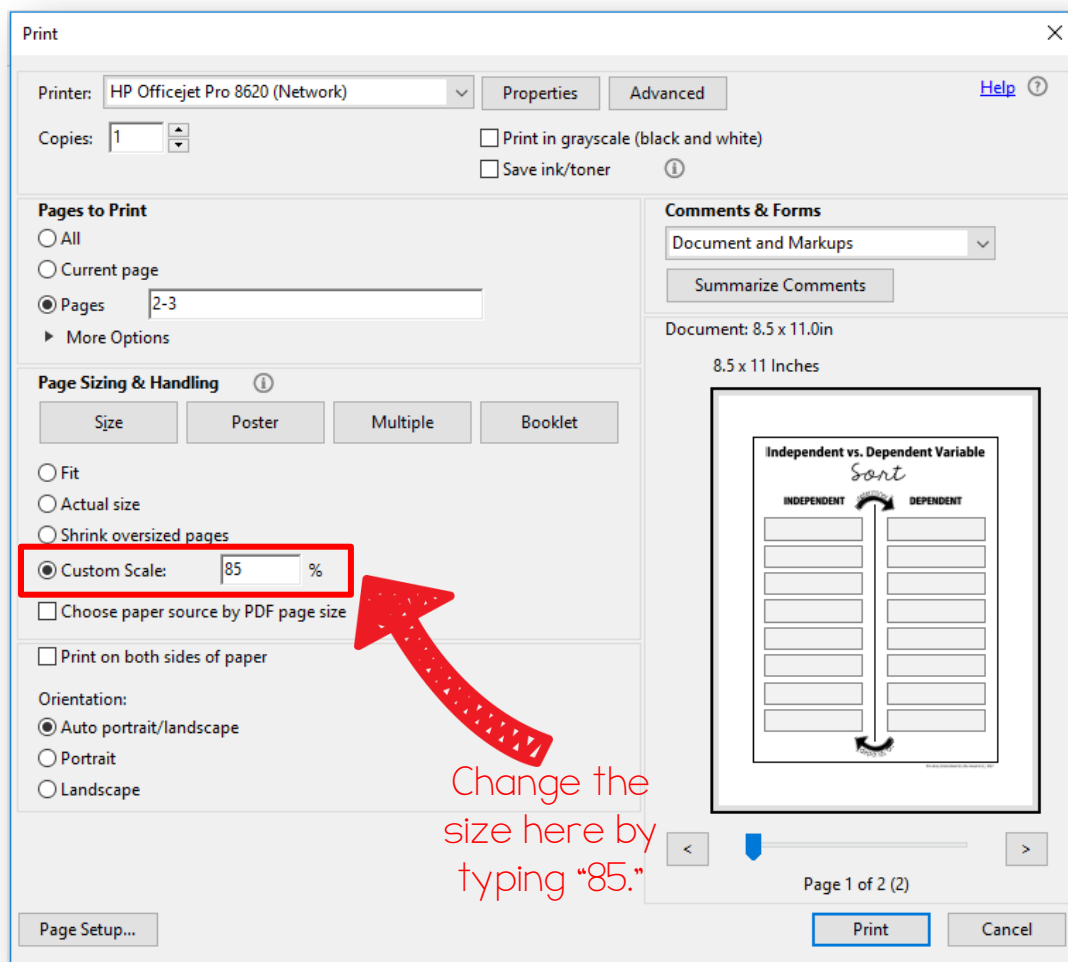

All printers have different margins, so, to ensure best printing, look for an option that says "SHRINK OVERSIZED PAGES" or "FIT."
I always use AdobeReader when printing PDFs (free).

Interactive Notebook Printing Help

If you're like me, you **LOVE** to use composition notebooks for your interactive notebooks. I've found that printing a regular PDF document at **85%** the regular size fits perfectly into these composition books. If you use a different sized notebook, feel free to use a different scale, but still follow the step below! I always use AdobeReader when printing PDFs (free).

THANK YOU

for purchasing this product from the
Math by the Mountain TPT store!

Don't forget to drop back by my [store](#)
and let me know how it all worked out!

Did you know?!

When you rate products on TPT, you
earn credits back to use toward future
purchases!

Have a request?

If you have a product request, email me
at mathbythemountain@gmail.com
